The focus of the conference is the evolving landscape and how we can be in the driving seat to shape the future.

4 reasons why this is the event of the year for the members of ACRP.be, BeAPP and BRAS and why you cannot be absent as a service provider!

1. Two outstanding keynotes that will bring an overall insight into the future
2. Several breakout sessions with high-level speakers covering hot and trending topics shaping the future of clinical research, regulatory affairs and medical affairs
3. Interaction, networking and some fun all through the day
4. You will be witnessing a historic moment as ACRP.be, BeAPP and BRAS will announce their new joint association

Sponsorship deal: 1.250 euro (VAT excluded)

- Maximum 8 sponsors (first come, first served)
- Reach out to an expected group of 150 professionals and VIPs from other organizations and public authorities
